

# post seeding field walk

**WANTFA's Post Seeding Field Walk will be on WEDNESDAY 22 JULY at 9.00 am for a 9.30 am start and is at the WANTFA Technology Demonstration Site in Meckering.**

## Topics are:

- Canola variety time of sowing—hybrid canola and conventionally pollinated canola
- Crop competition trial—crops of different densities to out-compete weeds
- Wheat national variety trial
- Double disc, triple disc, and tyne comparison—looking at crop safety of various herbicide options
- Stubble orientation and effect on herbicide safety with disc and tyne
- Barley grass control
- 2nd year of yellow spot trial

Following this we will go to 'WANTFA Long Term Site' in Cunderdin for a 12 noon start to discuss the trial program for 2008 and 2009 season so far. Afterwards we will all enjoy a sausage sizzle.
