

Australian Grassland Association Inc.

Virtual Symposium 2021

JOIN US on Wednesday evenings (7-9 pm AEDT) in March 2021 for our Virtual Symposium "Resilience in the face of change—pastures for the future." This series offers you the opportunity to hear the latest pasture research in Australia and to interact with colleagues from around Australia who are actively engaged in lifting pasture productivity for grazing industries and mixed farming

Wednesdays 7–9 pm (AEDT) March 2021

Each session will comprise presentations followed by a live facilitated discussion with the presenters.

Wednesday 10th March

Plant improvement for the future

Wednesday 17th March

Pasture systems for a changing climate

Wednesday 24th March

Management for sustainable pasture systems

Wednesday 31st March

Adaptation to challenging soils, pasture pests and diseases

COST—\$88.00 inc GST

Discounted rates apply (\$44) for undergraduate, Masters and PhD students.

Cost includes all 4 sessions.
