

South Coast Natural Resource Management presents,

# WATER SECURITY SUMMIT

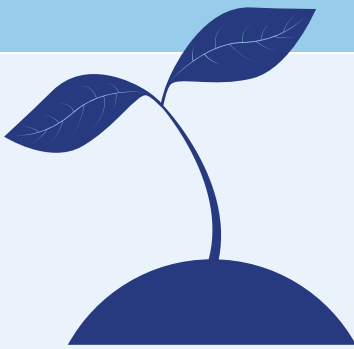

JOIN INDUSTRY LEADERS, INNOVATORS & OTHER PROPERTY OWNERS AS WE EXPLORE WATER SECURITY, HARNESSING OUR PROPERTY'S POTENTIAL & FUTURE PROOFING OUR WATER.

Esperance Bay  
Yacht Club  
Tuesday 16th Feb  
10am - 3pm

## CLIMATE CHANGE & WATER SECURITY

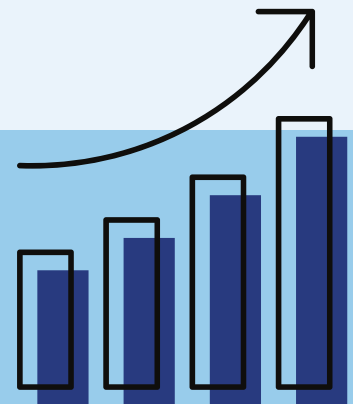

How will a changing climate affect our surface & ground water - and what can we do to be prepared.

**DE-SALINISATION | WATER AUDITING**  
Combatting dry-land salinity & knowing how much water your property really uses

## ECONOMIC RETURNS

Learn how to conduct cost benefit analysis & assess the economic costs of water security
