Welcome & Introduction Hear about WALRC and the team and get an update on what Research & Development (R&D) priorities were put forward for WA red meat producers in 2015 for 2016/17.	Erin Gorter, WALRC Coordinator
What's the latest on MLA grass-fed beef and sheepmeat research? MLA is focussed strongly on engaging with industry, so this is your chance to hear how some levies have been spent in research, development and adoption in the grass-fed beef and sheepmeat sector.	Richard Apps, Program Manager Genetics Implementation and Sheep R&D, MLA
Blue Skies Forecast There are some pretty exciting bits of blue sky research happening that we often don't hear about as its 'early days' for a lot of it, so Hayley will let us know what is out there.	Hayley Norman, Agriculture, CSIRO
WA R&D issues workshop This session is your chance to tell us what R&D is important to you and your business. Come armed with ideas of what you would like to see worked on in your patch.	Erin Gorter
Afternoon Tea	
Grain & Graze – the best of both worlds This programme has been going for a while with some fantastic results that are ripe for adoption for mixed farming enterprises. Hear what some of them are and how they might apply to your business in this region.	Danielle England, Grain & Graze Coordinator
Workshop continued	Erin Gorter
Closing remarks & evaluation	Erin Gorter
Sundowner Join us for a few drinks to round out the afternoon.	

Please **RSVP** your attendance to WALRC Secretariat on 0428 882 828 or eo@faceygroup.org.au by 20 June 2016 for catering purposes.
