

HempGro

WA Hemp Growers' Co-op Ltd

HEMP FIELD DAYS.

The WA Hemp Growers' Co-op is holding 2 field days. One on a rain fed farm in Denmark region and an irrigated farm in Harvey.

HEMPGRO will be holding field talks on two members farms.

Speakers :

A representative from DPIRD detailing the regulations and compliance requirements for industrial hemp farming .

Our farmers will talk through their experience growing hemp and the story behind the establishment of their Hemp food businesses.

A regenerative Agronomist discussing the growing conditions for industrial hemp.

All speakers will be available to answer questions from attendees

Lunch and refreshments will be supplied.

There will be a field walk through one of the paddocks including discussions around variety selection and a tour of the on farm processing facilities.
