The aim of the Growing Leaders Scholarship Program is to:

- Recognise potential influencers and leaders involved with grower groups and the WA grain industry.
- Develop individuals with demonstrated leadership potential in their workplaces or grower group organisations.
- Support and build tomorrow's leaders for strong agricultural and regional communities in WA.

The Growing Leaders Scholarship program offers up to two scholarship positions for Leadership WA's highly esteemed Signature Leadership Programs. The program brings together participants from the corporate, government, private and community sectors to develop the skills of leaders and emerging leaders in WA.

GROWING LEADERS SCHOLARSHIP PROGRAM

The Growing Leaders Scholarships are fully-funded by the CBH Group with the application process coordinated by the Grower Group Alliance (GGA). Growers applying for the Scholarships will be shortlisted by CBH and GGA and then submitted to Leadership WA for interviews and final assessment processes.

Leadership WA runs highly sought-after programs and are decidedly selective in how they develop the cohorts for their individual programs. Shortlisting does not guarantee a scholarship position, the final decision and offer remains with Leadership WA.
