

## EXTENSION SUCCESS AND CAPACITY BUILDING

19 February 2024 - 1:30 to 4:30pm

A short fun active capacity building workshop that will excite you about your own potential as a grower group officer and help you achieve success and get results

- 1:30pm      **Welcome and Hello**
- Purpose and Agenda** – Set the scene and generate excitement about how you can achieve your best in your current grower group role
- 1:40pm      **Introductions (up with a fun activity)** - Get to know the talent in the room
- 1:50pm      **Develop and Play to Your Strengths** - Garner some personal and group insights into the benefits of unlocking your strengths to achieve success, be more productive and propel your grower group
- Understand the benefits of strengths – find what you can do and love to do and why this matters for achieving success as a grower group officer
  - Learn how to spot strengths in yourself and others
  - Shift mindset from a focus on weaknesses to one of strengths
  - Add the power of working with strengths to your grower group officer toolkit
- 3:00      **Afternoon Tea**
- 3:15      **Strategy and Change** - A taster on the power of goal setting and leading and driving change. The Value Creators **Success Drivers Model** we will arm you with a simple but powerful process to identify, set and achieve goals – big ones, small ones, new ones, short term or longer. Once you have the process you can make it your own to achieve grower group success.
- 4:00      **Confidence & Mindset** - Some hints and tips to develop a culture of success, and to build resilience and a confident growth mindset.
- 4:20      **Wrap Up and What's Next** – Now let's harness the energy for the planned on-going GGA "Community of Practice".
- 4:30      **Done**
